### **Essential Information:**

For last minute group bookings, you may select any session that is already scheduled to play for the coming week, subject to availability. For any group booking, with the exception of cinema hire, the session will be open to the public. We have pre-set screening times on a Saturday and Sunday for children's birthday party bookings. There will be an 11am and 2pm time slot to choose from and these times may vary slightly, depending on the length of the movie. This is due to our partnership with *Napoli* to ensure they can cater for lunch before or after your session.

### **For cinema hire:**

Once we have confirmed the date of the booking, the exact start time will not be confirmed until the Tuesday prior to the new programming week (Thursday-Wednesday). It is the organisers responsibility to notify guests of the correct start time and we are unable to hold off sessions for late patrons.

## **FAQ**

### **Can I have my party on any day and at any time?**

We offer set time slots for children's birthdays on weekends allowing you to send party invitations in advance knowing that there will be an appropriate movie screening at that time, as general scheduling is only provided to us at the start of the week. The set times are Saturday and Sunday at 11am and 2pm. Please keep in mind that these times may vary around 15 minutes depending on the length of the movie, and final times will be confirmed after the session has been booked. You can make group bookings for any pre-set session during the week but the weekend time slots are appointed to ensure you can choose a suitable movie with time for lunch and cake. If you have any other requests, please let us know in writing via email. Please keep in mind that whilst the cinema is open from morning until night not all staff working in the candy bar organise bookings so it is always best to email us. Also that general cinema scheduling is only provided to us on the Monday or Tuesday before the upcoming weekend so

### **Is there a designated area we can cut cake?**

Unfortunately, we are unable to offer a space for cake and edibles. We work alongside Napoli restaurant and recommend organising your catering through them. Our pre-set children's time slots allow you to have lunch and cut cake either before or after your session.

### **Will we have the cinema to ourselves?**

Whilst you are given a selection of movies to choose from in advance, we will still open the session to the public. It is, however, possible to hire out the entire cinema if you would like a private session and we are able to send through more details on request.

### **Can we hand out presents in the cinema?**

With all group bookings, the cinema will remain open to the public. We kindly ask that you hold off from opening presents until after you have left your session. It may be possible for you to exchange presents in the restaurant next door.

### **Can we sit wherever we like? What if there isn't enough space for our group to sit together?**

Our seats are not allocated. We ask that you arrive to your session 20 mins before your time slot. This will allow adequate time for the staff to get you seated before we allow the general public inside the cinema. If you do not arrive to your session on time, unfortunately we cannot hold off the movie for you and we will continue to screen for the general public.

### **Can we bring a DVD and play it?**

We are not able to facilitate DVD screenings, however we can play some older movies that are not on our program. Our Cinema Paradiso movie scheduler can "hire" and provide these for you, however, it will cost approximately \$300+ GST, in addition to the cost to hire a cinema. The exact amount will vary from different distributors, however if you provide the name of the movie you wish to play, we can provide a quote for you.

**Some mums have toddlers they wish to bring. Will we have to pay for them too?**

We charge \$5 admission for children 3 years and under. Babies will be free of charge. Please be mindful of other guests in the cinema if you are bringing small children or babies to a screening.

**Can we store the bags and presents anywhere?**

We do not provide lockers at the cinema so please keep your valuables on you. We can place prams, scooters and other similar items behind the candy bar but we will not be held liable for any damages or the loss of these. You are welcome to take bags and presents into the cinema and pass on to the usher to place up the front of the cinema. We ask that the items you place towards the front of the cinema are not accessed during the movie to prevent disturbance to other patrons and you keep any items on you that you may need for the duration of the movie. If you have any other queries relating to the storage of your items for your birthday party, please put these requests in an email.

**Do you provide party bags?**

No, but you are welcome to bring your own and hand them out at the conclusion of the movie. We ask that you take all rubbish with you.

**Can I bring my own food?**

The Cinema does not allow outside food to be brought to the cinema, in part to prevent disturbance to other patrons and eliminate the need for excessive cleaning after sessions. We offer various combos and an array of candy bar items. Pizza and pasta dining is available next door at Napoli Restaurant where you are able to provide you own cake and cut it there before or after your session. If you have any other enquiries regarding food/ allergens etc, please contact Napoli Restaurant.
